

# SAS and LED Careers Development Workshop

Virtual Interactive Workshops

Kingston Hospital NHS Foundation Trust

9<sup>th</sup> September : Start 09:30 – 12:30 (doors open at 9:20)

## Outline

Join our career development workshop and consider your future career pathway and ongoing personal development.

**By the end of this workshop you should:**

- Be clearer on how you see your career developing in the short & long term
- Understand the purpose of a portfolio and how to tailor it depending on purpose
- Know what information to collect, how to map it to the curriculum of both specialty and Good Medical Practice to demonstrate your clinical and non-clinical skills for CESR
- Appreciate the value of recording reflections to enhance learning
- Identify your learning needs and construct a useful PDP with an action plan

## Facilitator - Dr Simon Frazer (Director of Doctors Training)

Simon works as a consultant in Paediatrics, professional educator, senior appraiser for NHS England and is an ILM qualified coach. He led the education services in an acute trust for 8 years as the Director of Education and deputy medical director. He has worked with HEE on several initiatives around regional induction passports and faculty development. He has experience leading the development and implementation of the RCPCH trainee portfolio and representing his college developing a revalidation portfolio with the Academy of Royal Medical Colleges.
