

The SAS Doctor as an Educator

Virtual Interactive Workshops

Trust

Friday 18th June 21: Start 09:30 – 15:30 (doors open at 9:20)
(doors open at 9:20, break at 11)

Outline

Our Programme is mapped GMC endorsed Academy of Medical Educators' Professional standards for Educators

By the end of workshop, you should be able to:

- Describe the roles of Educational & Clinical Supervisors as well as other relevant parties
- Demonstrate knowledge of and familiarity with the Portfolio, ARCP and workplace assessment methods
- Formulate useful learning objectives and suggest ways in which they might be addressed
- Demonstrate the ability to give constructive educational feedback
- Support the trainees and colleagues to reflect safely on their practice and critical incidents
- Appreciate the factors that can impact on a doctor's performance
- Increased in confidence supporting a doctor where their performance is of potential concern
- Describe a supportive learning environment and reflected upon your own speciality and Trust
- Considered your future CPD needs as a Trainer

Facilitator - Dr Simon Frazer (Director of Doctors Training)

Simon works as a consultant in Paediatrics, professional educator, senior appraiser for NHS England and is an ILM qualified coach. He led the education services in an acute trust for 8 years as the Director of Education and deputy medical director. He has worked with HEE on several initiatives around regional induction passports and faculty development. He has experience leading the development and implementation of the RCPCH trainee portfolio and representing his college developing a revalidation portfolio with the Academy of Royal Medical Colleges.
