

## Supporting the LTFT Trainee and the Doctor Returning to Training

Virtual Interactive Workshops

Trust

**Friday 18<sup>th</sup> June 21: Start 09:30 – 12:30**

(doors open at 9:20, break at 11:00)

### Outline

Help support trainee return to training after a period of absence and those who a completing their training working less than full time (LTFT).

**By the end of today you should be able to:**

- Demonstrate knowledge of and familiarity with the process to support transition to less than full time training (LTFT)
- Better understand the challenges and benefits for doctors working LTFT
- Formulate useful learning objectives and work schedules for doctors working LTFT and those returning to work after a period of significant absence
- Effectively support a trainee returning to training after a period of prolonged absence

### Facilitator - Dr Simon Frazer (Director of Doctors Training)

Simon works as a consultant in Paediatrics, professional educator, senior appraiser for NHS England and is an ILM qualified coach. He led the education services in an acute trust for 8 years as the Director of Education and deputy medical director. He has worked with HEE on several initiatives around regional induction passports and faculty development. He has experience leading the development and implementation of the RCPCH trainee portfolio and representing his college developing a revalidation portfolio with the Academy of Royal Medical Colleges.
