(doors open at 9:20, break at 11)

Outline

By the end of today you should be able to:

- Demonstrate knowledge of the basic principles of adult learning
- Understand how to adapt your teaching to different learners, methods and situations
- Formulate useful learning objectives and suggest ways in which they might be addressed
- Evaluate different ways of dealing with teaching challenges
- Describe the roles of Educational & Clinical Supervisors
- Demonstrate the ability to give constructive educational feedback
- Consider how to cultivate a positive learning environment by role-modelling good professional behaviours

Facilitator - Dr Simon Frazer (Director of Doctors Training)

Simon works as a consultant in Paediatrics, professional educator, senior appraiser for NHS England and is an ILM qualified coach. He led the education services in an acute trust for 8 years as the Director of Education and deputy medical director. He has worked with HEE on several initiatives around regional induction passports and faculty development. He has experience leading the development and implementation of the RCPCH trainee portfolio and representing his college developing a revalidation portfolio with the Academy of Royal Medical Colleges.
