

Train the Trainer

Optimising Learning in the Virtual Classroom

Virtual Interactive Workshops – 3 hours CPD

Epsom and St Helier University Hospitals NHS Trust

Dates – Morning courses 9:20-12:30 and Afternoon 1:20 – 4:30

7th September (pm), 13th October (pm),

9th November (pm) and 15th December (am)

Outline

This workshop is for trainers who wish to enhance their skills and confidence delivering engaging and interactive live virtual workshops using a range of platforms (Zoom / Teams)

By the end of the session, you would have:

- Have a better understanding of the benefits and advantages of virtual workshops
- Improved your knowledge and skills on how to design engaging and interactive teaching specifically for the online environment
- Gained confidence navigating the different platforms and using their advanced features – screen share, chat, voting polls, breakout rooms, whiteboard and streaming video cases.

Facilitators – Dr Bob Phillips and Dr Monica Negoita

Bob Phillips is an Honorary Consultant in Paediatric / Teenage-Young Adult Oncology at Leeds Children’s Hospital and Senior Clinical Academic at the Centre for Reviews and Dissemination at the University of York. Bob has worked extensively to promote and teach evidence-based practice with the Yorkshire Deanery, providing training to multidisciplinary groups and individuals. He has worked with the Centre for Evidence-based Medicine in Oxford, UK, and the Centre for Evidence-based Child Health (Institute of Child Health, London, UK).

Monica is senior paediatric trainee with a specialist interest in medical education. She has helped support several online virtual workshops and regularly provides training and support to consultants new to the online teaching environment using a range of platforms.
